

Instructions for Nominating a Pastor:

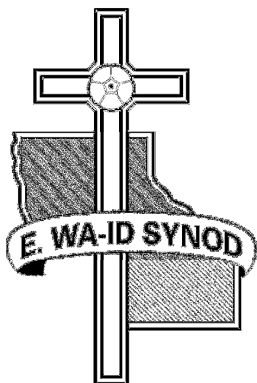

Pray for Prince of Peace Lutheran Church and all of our potential pastoral nominees.

Please nominate on the basis of our mission and pastoral needs as stated in the congregational profile. Look for a copy of the profile in the Church Office. If you have any questions at all, talk to a Call Committee member.

Do not call the pastor(s) you are nominating yourself, as this undermines the ministry background check process that our Synod office needs to do. It may also undermine our rich theology of call and move us toward a secular hiring process.

Bring your completed nomination form to the church office. Your nomination will be mailed to the Synod office so that your nomination will be processed right away. Call Committee members will report to you on the status of your nomination as soon as they hear from Synod staff.

All nominations are due September 30, 2009.
